### RANGE COMMUNITY GYM

Range Community Gym celebrated a significant milestone last week. Our two dedicated trainers, Paul and Tina achieved a combined 25 years of service with the Gym (Paul 15 years and Tina 10 years). Last Friday, over one hundred gym members and guests joined a celebratory morning tea held at the Mapleton Bowls Club (a big thank you to the Bowls Club committee for use of the club facilities).

This turnout reflects the great regard that all our gym users have for Paul and Tina who have helped so many Gym members past and present with their fitness journey over many years. By improving and maintaining the health and fitness of our community, Paul and Tina contribute greatly to the quality of life enjoyed by our community.

Our Gym President, Chaffey Backhouse also highlighted that Paul and Tina create the welcoming and friendly culture of the Gym which is so often recognised and valued by our members. The morning tea team of Annette, Lucille, Fiona and Sandra went above and beyond to put on the grandest morning tea ever held by the Gym with a special cake of suitable proportions for the occasion. Well done and thank you Morning Tea Team..!

Congratulations to Paul and Tina.

# Mapleton Community Day

It was truly a celebration of community not-for-profit organisations. We were delighted as 17 groups were on show with two additional groups who sent paperwork for display totalling 19.

Recorded were six couples new to the community along with numerous residents who have lived on the northern end of Range for under three years. One couple dropped by as they are considering purchasing in the area.

Some residents dropped by to see one or two groups only, while some visited many of the displays chatting and spending up to ¾ hours on site.

At times, it was rather noisy, so some 'escaped' and watched the pennant bowling teams in action.

A number of groups reported possible new members and interest in their forthcoming events. Many brochures were taken and contacts were collected.

Thank you to all organisations. The Mapleton Bowls Club looks forward to welcoming your group at our next Community Day.

SUNSHINE COAST COUNCIL

# SUNSHINE COAST COUNCIL MEDIA RELEASE

28 July 2025

**'Big win': popular hinterland park gains exciting upgrade**

One of the hinterland's favourite parks is set to be even better with two welcome upgrades about to start construction.

Sunshine Coast Council is delivering what the Mapleton community has long advocated for – a renewed and inclusive public amenity at Lilyponds Park and a brand-new half court for basketball, netball and pickleball.

Once complete, the park, located at 10 Delicia Road, will be even more welcoming and enjoyable for all.

## A win for the whole community

Sunshine Coast Division 10 Councillor David Law said that following extensive community engagement and thoughtful planning, Council had worked to respond to the community's call for improved accessibility and enhanced facilities at Lilyponds Park.

The result is a smart, sustainable solution that meets the needs of all park users – repurposing the existing amenity building, which remains in excellent condition.

"We listened and collaborated with the Mapleton community for the best way forward," Cr Law said.

"We are delivering a solution that respects the existing infrastructure while embracing the values of accessibility, inclusion and active recreation.

"This is a big win for everyone in our community.

"It's a great example of how we're working together to create vibrant, inclusive spaces for everyone."

## A smarter, more inclusive upgrade

The upgraded design will transform the internal layout of the current structure to include one fully compliant People with Disability (PWD) unisex cubicle, one ambulant unisex cubicle and one additional standard unisex cubicle.

Cr Law said this innovative reconfiguration not only addressed the community's concerns about the lack of a Disability Discrimination Act (DDA) compliant toilet in Mapleton, it also increases the overall capacity of the facility.

"This is a timely enhancement with the upcoming half-court facility expected to boost park visitation," Cr Law said.

"In addition, Council will construct a formalised, accessible pathway linking the sealed car park to the amenity building, ensuring safe and inclusive access for all members of our community."

The design for the public amenity upgrade is scheduled to be finalised this month (July 2025). The $350,000 project is planned to start in mid-August 2025 with completion by December 2025, weather permitting.

## New half court set to boost park fun

Cr Law welcomed the start of construction for the new half court, following community engagement confirming the community's support for the project.

"During November last year we asked our community to share their interest and feedback on a basketball and netball half court in Lilyponds," Cr Law said.

"Feedback was positive, with 87 per cent of respondents expressing very strong support for the half court and 81 per cent supporting the location at the active youth zone to the south of the skate park and west of the existing playground.

"In the feedback, residents asked for pickleball to be included and I'm really pleased to share that pickleball line marking will also be added to the court.

"We're investing $130,000 into what is going to be a great recreational space and meeting place for our community to enjoy."

Works on the new half court facility are expected to start in early August 2025 and continue through to late October 2025, weather permitting.

The skate park and playground will remain open throughout the works, with some pedestrian detours in place.

The site carpark will have slightly fewer spaces to ensure safety during construction.

Works will include installing the concrete basketball/netball half court with hoops, installing sandstone retaining walls and seating.

Sunshine Coast Council is committed to working hand-in-hand with local communities to create public spaces that are welcoming, functional and future-ready.

**Thank you Alison Hardy for this image of the Mapleton Lilypond Park**

## EXPLORING TOMORROW

Ben Johnston tackled a number of complex concepts such as AI, crypto and blockchain and quantum computing of the future with ease and style. Over 20 community members were enlightened and challenged.

Everyone appreciated Ben's attitude and delivery. Thank you Ben—we were sent home with ideas, concepts and thoughts spinning.

Thank you to the Mapleton Library Community Centre volunteers for hosting such an innovative presentation.

# QCCC Mapleton Weekly Update

We've got a full and diverse week ahead at QCCC Mapleton - starting with something new and exciting for our mountain community!

This weekend, QCCC Mapleton will serve as the host site for the Hells Bells Adventure Race - a 24-hour, non-stop endurance event combining trekking, mountain biking, kayaking, and navigation through the rugged terrain of the Sunshine Coast Hinterland. This is the first time Mapleton has hosted the race, which draws elite and amateur athletes alike from across Queensland and beyond. Teams work together to navigate a secret course that's only revealed just before the starting gun, making strategy, endurance, and teamwork essential to crossing the finish line. We're proud to welcome the competitors and event staff, and we wish them strong legs, clear maps, and safe travels through the beautiful (but challenging!) landscapes around us.

Once the last checkpoint is cleared and race gear is packed up, we'll turn our focus to another kind of adventure—school camps! On Monday, we'll welcome three Brisbane schools to QCCC. Two are bringing their bright-eyed Year 4 students—many of whom will be spending their first night ever away from home. The third school arrives with a confident group of Year 7s ready for their early high school bonding experience.

Wednesday brings a big changeover, with two more schools arriving. One is a Brisbane-based Grade 5 camp, while the other group joins us all the way from Northern NSW for their Grade 6 camp. Yes—we do occasionally host interstate groups too! It's another week full of challenge, discovery, and unforgettable memories—whether on a mountain trail or around a campfire.

## Archery for All – Accessibility Fundraiser at QCCC Mapleton

We're excited to announce a special fundraiser event aimed at making archery more accessible for everyone at QCCC Mapleton! Join us on Sunday 17th August 2025, from 2:00pm to 4:30pm, for a fun and inclusive 2-hour archery session. Whether you're a seasoned archer or simply curious to give it a go, this event is open to all skill levels. All proceeds will go toward improving the accessibility of our archery range so that everyone—regardless of ability—can safely participate and enjoy the sport.

This is a fantastic opportunity to support an important cause while enjoying one of QCCC's most loved activities. Participants under 18 must be accompanied by a parent or guardian. To book or find out more, scan the QR code on the flyer or visit: www.qccc.org.au/archery-accessibility-fundraiser

Let's hit the target—together!

## Recent Development Applications in Divisions 5 and 10

# Grow Australian Plants

LOCAL

## *Cryptandra longistaminea*

### Crytandra

A much branched dense shrub with small prickly leaves. Has numerous white flowers crowded on the smaller branches during late winter.

Prefers sun and part shade and well drained loam soils.

Attracts bees.

Branches will break easily so take care when weeding.

Currently in full flower across the Range and the Hinterland. Bees are very busy collecting nectar.

**BROWN HONEYEATER**

***Lichmera indistincta***

LOCAL

The Brown Honeyeater occurs over much of mainland Aust except the SE and the most arid parts where they can occupy varied habitats from tropical rainforest edges, forests, woodlands, watercourse trees, coastal swamps and mangroves. They are also found in parks, gardens and street trees in urban areas as well as on farms and in remnant vegetation along roadsides. These busy, noisy little honeyeaters are found in our area and are most frequently seen around flowering bushes. They feed on the flowers that are rich sources of nectar, especially, grevilleas, bottlebrushes and tea trees. However, they will also eat fruit and small insects.

They are a medium-sized, 12-16 cm long, nondescript pale-grey brown honeyeater with a longish down-curved bill and (in adults) have a small, yellow, triangular patch behind the eyes. The upper breast is pale olive brown grading to off-white underparts. The eyes are grey or brown, the bill black and legs grey or brown.

The male when non-breeding has a yellow gape which becomes black when breeding. The female has a shorter more down-curved bill and her gape remains yellow year-round. Immature birds also have a yellow gape but have only an indistinct triangular patch behind the eyes.

They are highly vocal with an array of pleasant, melodious, warbled and metallic calls. Breeding occurs from June to January after building a neat cup-shaped nest composed of grass, bark shreds, leaves and spider's web in foliage. Common nest predators include Pied Currawongs, snakes and cats. Brush Cuckoos, Pallid Cuckoos, Horsefield's Bronze-cuckoos and Shining Bronze-cuckoos will also parasitise their nests.

Thank you Eric Anderson

## ATTENTION … All budding writers are welcome

You are invited to join a new writing group, Mapleton Writers, meeting every second Friday at the Mapleton Library Community Centre from 1:30pm to 3:30pm. Our first meeting will be on Friday, August 1st. Bring your pen, notepad, laptop, or a scrap of paper.

The group welcomes writers of all experience levels who are seeking a quiet space to work alongside others. We will use the Pomodoro technique – a method that involves working in focused 25-minute intervals, followed by short 5-minute breaks. Whether you want to develop an existing manuscript or start a new project, you will be very welcome.

For more information, please contact Tracey Young on 0428 025 038 or ask a volunteer of your very helpful Library Community Centre.

Thursday 7 August 2025, 5:30pm - 9:00pm
Caloundra Regional Gallery
22 Omrah Ave, Caloundra
Celebrate 25 years of Caloundra Regional Gallery with a vibrant evening of art, music and community.

The Gallery and Felicity Park will come alive with live art installations projected onto surrounding buildings, performance art throughout the evening, and live music from multiple artists both inside and outside the Gallery. This dynamic celebration offers something for everyone to enjoy.

A bar thanks to Moffat Beach Brewing Co. and a selection of local food trucks will be available on site to keep you refreshed as we mark this special milestone together.
This is a free event, but registration is required.

# RECYCLING IN MAPLETON

**SPECTACLES** are collected by Lions from the Mapleton Library Community Centre .

**CANS and BOTTLES** - **Containers for Change**

**Mapleton Bowls Club** - There is a convenient collection point which is a wheelie bin placed near the entrance. Bins can be distinguished from others by its bright blue lid.

**Mapleton State School P & C**. All your donations would be gratefully received and will go towards resources for our school and students.

**Mapleton Men's Shed** These may be left in the bins in front of the storage shed in Mapleton Forest Drive.

**Please do not crush the cans you deposit for recycling.**

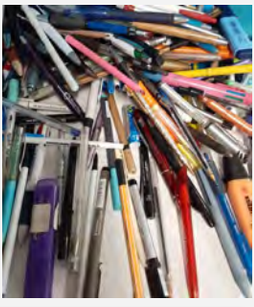
**MOBILE TELEPHONES**
**Roger Loughnan Real Estate**, corner Post Office Road and Obi Obi Road Mapleton, is a registered drop off location for people to donate their old working phones with chargers etc. The staff will deliver these to DVSafe Phone.
**Also place in any Lion's spectacle box and these will be handed on.**

**Plastic lids from drink bottles only— collection container on the Mapleton Library Community Centre verandah**

**Blister packs—container on the Mapleton Library Community Centre verandah**

**Used pens—container on the Mapleton Library Community Centre verandah**

**Tooth brushes—container on the Mapleton Library Community Centre verandah**



**Ring pulls from aluminium cans.**
**Lions will forward these for wheel chairs for children. Container on the Library Community Centre verandah**

**YARN LIBRARY- Sewing, knitting and embroidery items to swap— containers inside the Library Community Centre**

**PLANTS – there are stands outside where you can leave plants for someone else who might like them.**

**THANK YOU to all who have already recycled many of the above items.**

# Procedures for Range and Hinterland PopUp Community News management

The Range and Hinterland PopUp Community News was launched in 2016. The News has gone through many changes with no one organisation controlling the News—it is truly a community news: for the community by the community. Auspiced by the Mapleton Library Community Centre since 2016 which provides insurance, financial support and much more.

The News offers opportunity to promote events and provide information to all community groups across the Range and the Hinterland
**Thank you everyone.**

**The Range and Hinterland PopUp Community News is edited, published and distributed by volunteers.**
**There will be no discussion or correspondence on matters pertaining to the Range and Hinterland PopUp Community News.**

- All articles for the Range and Hinterland PopUp Community News are to be sent to mapletonqueensland@gmail.com
- If it is important to have an article included in a specific edition, forward article as early as possible. Generally the cut off time for publication is noon Tuesday each week but as this is a fully volunteer publication inclusion is not guaranteed.
- Articles can be emailed at any time. Please include contact name and contact details.
- All articles are to be sent digitally unless otherwise pre-arranged.
- Pop up Community News is published weekly but open to review at any time. A short holiday over Festive Season each year to give the volunteers a well earned holiday.
- Currently Thursday night for distribution is the target time.
