- \*\* 28 February: Genealogy Sunshine Coast, 10am- 2 pm, Nambour

### **SUNSHINE COAST COUNCIL GRANT IMPROVES COMFORT AT KUREELPA DULONG COMMUNITY HALL**

Hirers and Community Groups which use the Kureelpa /Dulong Community Hall in Jewett Road Kureelpa , are enjoying the recent upgrades due to our successful application of a Sunshine Coast Council Grant.

We were able to replace all of the 20-year-old curtains and blinds inside the hall and they glide beautifully!

We also added some pull-down blinds to the verandah to make this space more comfortable on a hot day or on a showery day.

The hall is a very welcoming space to gather, and we thank the Sunshine Coast Council and Custom Blinds and Curtains of Nambour for their expertise and excellent service.

Presently the hall is a gathering space for Crop Swap, Kureelpa Quilters, Sunshine Coast Gospel Fellowship, Mapleton Community Choir, Spinners, Weavers and Fabric Artists, Yoga, Pilates, Mapleton Bridge Club, Kureelpa Natterers. The Kureelpa Hall is also converted to a very suitable place for Family Celebrations, School Disco, Garden Club Lunches, and Council workshops. It is also a designated emergency gathering place for travelers in case of emergencies in the area and a Polling Booth for election.

There is a FACEBOOK PAGE- Kureelpa Dulong Community Hall. Bookings are best done by email: [kureelpahall@gmail.com](mailto:kureelpahall@gmail.com)

We do have a Website but it is presently under improvement. [www.kureelpadulongcommunityhall.org](http://www.kureelpadulongcommunityhall.org)

## MONTVILLE REFLECTION GALLERY

**Space to rest and reflect 10am to 3pm most days of the year  
Montville Uniting Church, 152 Main Street, Montville**

Debut Solo Exhibition  
by Carina Robertson

Carina Robertson is a contemporary painter recognised for her expertise in both oil and soft pastel mediums. Her work delves into the dynamic relationships between light, colour, texture, and movement. Robertson's practice spans a variety of subjects, including intimate still life, contemplative portraits, gentle landscapes, emotive seascapes and abstract explorations.

Utilising two distinct mediums Carina paints with notable versatility. Her oil paintings feature richly layered impasto and a luminosity achieved through traditional methods, imparting depth and permanence to her pieces. Conversely, her pastel works are distinguished by immediacy and vibrancy, leveraging pure pigment and velvety textures to convey atmospheric transitions and fleeting moments with precision and energy.

A self-taught artist, Carina has pursued an intensive creative journey over the past decade, focussing on expressionism within her painting practice. Her early development was shaped by mentorship from Australian artists John Wilson and, more recently, Todd Whisson. Tutelage under Maltese artist Julian Hyzler during a residency in Italy inspired her to recreate what she sees to how it feels.

Currently, she resides and maintains a studio on her farm near Maleny in the Sunshine Coast hinterland, where the natural surroundings continually inform her artistic vision—both within the farmhouse and beyond. Her distinctive approach emphasises the emotional impact of colour and the subtle geometric structures present in her environment, seeking to capture the “beauty around in everyday life”.

Exhibition on now until 28 March 2026.

**International Women's Day (IWD) is celebrated globally  
each year on 8 March.**

It's an important day to recognise the social, economic, cultural and political achievements of women and girls. Across our schools, workplaces and wider education community, we strive to achieve gender equality, creating positive environments where everyone can succeed and maximise their own individual potential.

IWD is celebrated during Queensland Women's Week.

# Identifying Rainforest Plants

## *meadow grasses and sedges*

There is a turning point in revegetation patches – have you noticed it? Meadows start to appear, shaded by the growing tree. Suddenly, the patch seems to become more resilient against weeds. Graceful and delicate rainforest grasses and structural sedges start to spread and abound – and right now, they are flowering! But which of these are native, which are weeds?

Join Hilary Pearl and Rowena Thomas at the Barung Nursery for a two-hour workshop learning the differences between grasses and sedges.

We will pull apart plants to see their differences. We will learn seven of our native rainforest grasses and four sedges, all from our local Blackall Range forests. We recommend you bring a pen, a torch (or a phone with a torch), and your own hand lens if you have one.

Magnifying lenses and hand lenses will be available to use, and worksheets will be supplied as we delve deep into this group of plants. We will finish with a walk in the Barung Seed Forest.

**Participation is limited to 15 places** so please book in to attend.

<https://events.humanitix.com/identifying-rainforest-plants-of-the-blackall-range-the-meadow-grasses-and-sedges>

**Date:** Saturday 7th March, 2026

**Time:** 9am to 11am

**Location:** Barung Landcare Native Plant Nursery, Parkland Drive, Maleny 4552

## **TWO SIGHTINGS ON THE NORTHERN END OF THE BLACKALL RANGE RECEIVED THIS WEEK.**

**Eastern brown snakes** (*Pseudonaja textilis*) seem to prefer open landscapes such as woodlands, scrublands, and grasslands/gardens. When inactive, they shelter beneath fallen logs and large rocks, within deep soil cracks, and in animal burrows, and will readily utilise man-made cover, e.g. sheets of iron, building material, etc.

Thank you to the residents for this alert.

This plaque is located across the road from the Mapleton Men's Shed, Delicia Road.

The 2/7th Australian Cavalry (Commando) Regiment was a prominent Australian Army unit that served during World War II, initially formed as an armoured unit before transitioning to a commando role. The regiment had a strong connection to Queensland, with training periods in Mapleton.

#### **Connection to Mapleton:**

Information indicates that the 2/7th Australian Cavalry Regiment (and related units) had training and staging areas in the northern Queensland region, including in the vicinity of the Atherton Tableland and, in 1942, areas near Landsborough/Caloundra/Mapleton before their deployment to Papua.

#### **Key details about the 2/7th Australian Cavalry Regiment during WWII:**

**Formation and Evolution:** The regiment was formed in April 1940 as the 7th Division Cavalry Regiment, drawing personnel from New South Wales and Queensland. In 1943–1944, as part of a restructuring of Australian divisional cavalry, it was reorganised into the 2/7th Cavalry (Commando) Regiment.

**Middle East Service (1941–1942):** The regiment sailed to the Middle East in December 1940, arriving in Egypt in February 1941. They served in Palestine and were sent to Cyprus in May 1941 to support British forces, acting as a reconnaissance force. They later served in Syria before returning to Australia in March 1942.

**New Guinea Campaign (1942–1943):** Following their return, the unit was sent to New Guinea in September 1942 to defend Port Moresby. They served in a dismounted role, participating in the brutal fighting around Huggins Roadblock and the Sanananda Track. During this campaign, they suffered heavy casualties, with 54 men killed and over 200 contracting malaria. The commanding officer, Lieutenant Colonel Edgar Logan, was among those killed.

**Reorganisation and Borneo (1943–1945):** After returning to Australia, the unit reformed on the Atherton Tableland in Queensland. Reorganised as a commando regiment, it became the administrative headquarters for the 2/3rd, 2/5th, and 2/6th Commando Squadrons. The 2/7th later participated in the Borneo campaign, specifically the landing at Tarakan in May 1945.

**Disbandment:** Following the Japanese surrender, the regiment returned to Australia and was disbanded in January 1946.

## WEEKLY ACTIVITY UPDATE

This weekend we are hosting a large camp for an elite music program, with students immersed in rehearsals and performance preparation. The camp will culminate in a public concert for parents on Sunday morning, so **we can expect a little more traffic than usual – particularly for Friday evening drop-off and Sunday morning arrivals**. Many families may also choose to linger afterwards, enjoying lunch and a picnic in our beautiful village.

From Monday to Wednesday, we welcome a large Sunshine Coast secondary school for a full site booking with their Grade 7 cohort. Mapleton remains one of the few venues in Queensland capable of comfortably hosting large State High School groups, and we're proud to provide a setting where whole year levels can build relationships and school culture together.

On Wednesday, a busy changeover sees three new groups arrive:

- A Grade 11/12 camp from Brisbane;
- A Year 5/6 cohort from inner Brisbane; and
- A Year 4 group from the Sunshine Coast.

It will be another week filled with activity, excitement and learning – young people growing in confidence, friendship and resilience in the Blackall Range.

What a positive thing for Mapleton to be known for: a place where thousands of young people come each year to learn, connect and create lifelong memories.

# Grow Australian Plants

## *Melaleuca thymifolia* Honey myrtle

A small rounded bush 1m x 1m. Has small aromatic leaves and curled bottlebrush flowers produced all year, sporadically. Flowers can be pink, white, purple or mauve.

Prefers full sun and most well drained soil types. Both drought and frost tolerant.

Plant as a low hedge, in a container or in your general garden beds. Playground friendly.

Attracts bees and other insects.

Nectar producing, used in fragrant oils production.

Currently flowering across the region.

**LOCAL SPECIES**

## Emerald dove

### *Chalcophaps longirostris*

Brightly coloured dove of the forest floor with bright green wings, coral red bill, and ash gray forehead. Male has an extensive silver cap which the female lacks. Inhabits various forested habitats from lowlands up into montane areas.

Emerald doves are usually observed alone, in pairs or small groups. They are quite terrestrial, often foraging on the ground for fallen fruit, seeds and a wide variety of low-lying plants. They will spend little time in trees, except when roosting.

Emerald doves are often preyed upon by domestic cats and dogs, reptiles and foxes. They are currently considered a species of least concern.

**Voice:** <https://ebird.org/species/emedov3/AU-QLD-SUN>

While previously considered part of the Common Emerald Dove (*Chalcophaps indica*), the Australian population is now generally recognised as its own species, the Pacific Emerald Dove

## SUNSHINE COAST REGIONAL COUNCIL'S REPLY TO SAFETY MATTERS RAISED BY COMMUNITY MEMBERS

Dear Community Members

Thank you for your recent enquiries to Council and Cr Law regarding the safety of the footpaths around Mapleton, particularly the section from the BP service station around to Mapleton State School.

Our Footpath Supervisor has attended the site and completed a full inspection of this area. No maintenance-related hazards were identified. However, the steep gradient of the footpath – which reflects the natural slope of the hill – was noted.

To explore possible improvements, this matter has been forward onto the Transport Infrastructure Branch to assess design options that may help reduce the footpath grade where feasible. We will also ask them to investigate the possibility of installing a new pedestrian crossing at the Delicia Road and Obi Obi Road intersection. A crossing at this location may assist residents to cross safely without needing to traverse the steep grassed embankment.

While the grade of the natural embankment cannot be altered, we are committed to exploring practical design solutions that can improve safety and accessibility for all community members.

### MORE PLANTS ARE NEEDED, PLEASE

The Plant Library at the Mapleton Library Community Centre is very bare.

If you have any unwanted potted plants, please donate.

Every dollar raised helps to ensure all the services offered by the Centre will continue.

**For example: Just this morning, the Centre provided JP services, hosted an art group and provided space so a community member could sit for an on-line business examination.**

### FUN AT THE MAPLETON BOWLS CLUB - MAHJONG

If you are looking for a relaxing afternoon, come and join this happy group. The members do spend a couple of hours playing mahjong before relaxing together.

Turn up at the Club at 12noon on a Wednesday, and the members will ensure there is a place for you. Beginners or advanced – everyone is welcome.

**THANK YOU FOR THE GENEROUS DONATIONS GIVEN BY COMMUNITY MEMBERS. ELIZABETH IS PHOTOGRAPHED HERE WITH A SELECTION OF THE BUSINESS VOUCHERS.**

Peter Gamgee was away so thanks is extended to Graham Patterson who accompanied Nita. Graham came to Mapleton to live that same year as the Buckley family purchased the Popt Office. Nita and Graham presented Elizabeth with the vouchers.

Elizabeth and Anika were busy stocktaking, so were glad for the break. Elizabeth was in good cheer. Graham and Elizabeth recalled incidents of the past when the Buckleys were involved in numerous community events.

The long-term project of placing a historical plaque on the footpath outside the building was discussed but Elizabeth and the family have another idea. They would prefer that the community place the plaque on the wall on the northern end of their property ... and ... paint a mural. Elizabeth said these would then be part of the Mapleton Art and History Trail.

Hence a plaque is being designed, and a meeting of four local artists is scheduled for the near future to create a mural design that will be presented to the family for agreement.

**LOVERS OF BOOKS – ST VALENTINE’S DAY**

On the evening of 14 February, while many were traditionally celebrating romance, our local Mapleton Library Community Centre was filled with a different kind of love: a love of books, stories, and the written word. Lovers of Books, a special St Valentine’s event, brought together six talented writers and an enthusiastic audience for a warm, inspiring night to remember.

Thank you to all the volunteers for organising such a successful event. Thank you to Rosetta Books for helping with the author selection.

Events like Lovers of Books remind us that libraries are not only places to borrow books but vibrant community hubs where creativity flourishes. Judging by the fantastic turnout and the enthusiastic feedback, this St Valentine’s evening celebration of literature has certainly captured hearts, and they look forward to continuing this cherished annual tradition.

Here’s to stories, community, and many more evenings filled with the joy of reading.

REPEATS

## Dogs make reading FUN!

Story Dogs is a reading support program where selected children read to an accredited dog and its handler.

Reading takes place in a quiet area of the school such as the library or verandah outside the classroom. Sessions run for 20 minutes, where each child is one-on-one with the Dog Team.

The books used in the program are suitable for each child's reading level, are engaging and inspire children to read for enjoyment and knowledge.

### When children read to a dog the outcomes are amazing:

- They have FUN
- They are not judged
- Their focus improves
- Their reading skills increase
- Their confidence soars

### Testimonials

*"We are recommending the program tomorrow and I cannot stress enough how successful the program has been."*

*"The program has been a wonderful initiative with the children WANTING to read to Samson."*

Phil Hesse - Principal  
St Simon the Apostle Primary School,  
Rowville VIC

*"There has been a marked improvement in students' reading results as well as fluency and comprehension. I feel this program is invaluable."* Michelle Webster - Centaur Primary School, NSW

### The Dogs

All breeds, except for restricted breeds, can be assessed to be Story Dogs. The dog's temperament, obedience and willingness is of utmost importance. The safety of the children is paramount.

Dog Teams must pass an accreditation by a certified dog trainer as well as being immaculately groomed, vaccinated and vet checked.

## CREATING A CLEANER AUSTRALIA - 1 MARCH

At Clean Up Australia, our mission goes far beyond just cleaning up. We're here to inspire and empower our communities, schools, businesses and councils to drive change.

Education is the key to lasting impact, and through it, we aim to foster a deeper understanding of how we can protect and conserve our environment.

Together, we can eliminate litter, reduce waste, and create a cleaner, healthier Australia for generations to come. Read on to find out more about what we do.

### ONE MAN'S VISION

It's hard to believe that this initiative was the inspiration of one man, Ian Kiernan, AO. [Image above] An avid sailor, Ian was shocked and disgusted by the pollution and rubbish that he continually encountered in the oceans of the world. Taking matters into his own hands in 1989, Ian organised a community event called 'Clean Up Sydney Harbour' with the support of a committee of friends. He expected just a few hundred volunteers. Instead, 40,000 people showed up, sparking a national movement.

### CULTURE AND TRADITION TAKE CENTRE STAGE AT AUSSIE WORLD FOR LUNAR NEW YEAR

Saturday 28 February 2026, 5:00pm - 9:00pm

From \$11 per person ... **Banana Bender Pub** ... 1 Downunder Drive, Palmview

Aussie World will come alive with vibrant colours, tradition and family fun for the 2026 Lunar New Year Lantern Festival on Saturday 28 February from 5pm to 9pm.

Lunar New Year is a cultural celebration marking the beginning of the new year on the lunar calendar, which is based on the moon's phases.

The Sunshine Coast Chinese Association will host the annual Aussie World event. It will include a lively atmosphere of cultural performances, traditional elements, themed food offerings and entertainment throughout the theme park.

Live performances will include traditional dance, music and cultural shows complete with glowing lights, decorations and vibrant displays. Guests can feast on authentic, traditional cuisine, including Tangyuan, which is a special dessert for the Lantern Festival.

Entry to the Lantern Festival only costs \$11 per person.

Entry to the Lantern Festival and unlimited access to Aussie World's rides and attractions start from \$41 per person.

There will be a small gift for those who get in quickly and purchase their ticket to the first 500 tickets sold.

# Healthy Ageing Forum

## Staying in the Driver's Seat

Driving represents independence, connection, and freedom. As we age, staying safely behind the wheel can require new awareness, planning, and tools—but it doesn't mean giving up control.

Staying in the Driver's Seat is an informative and supportive forum designed to help older adults continue driving safely for as long as possible, while also preparing confidently for future transportation needs. The forum focuses on practical strategies, current research, and real-life solutions that respect personal independence and choice.

This forum encourages open conversation, questions, and shared experiences. Whether you are an active driver, noticing changes, or simply planning ahead, Staying in the Driver's Seat is about staying informed, staying empowered, and staying mobile—on your own terms.

When: Thursday, 5th March 2026. 9am to 12pm

## A BRIEF 110 YEAR HISTORY MAPLETON COMMUNITY HALL

Mapleton Hall and Sportsground, 31 Obi Obi Road, Mapleton has been held in Trust since 1911.

An early Pioneer, Mr W H Rosser donated the land (part of his early selection). The early pioneering families set about clearing the scrub and erecting a Hall.

This hall was destroyed by a bushfire in 1915.

The replacement hall was constructed (the present one) and was officially opened in 1916.

It has been the venue for dances; celebrations; Sunday School; a library; meetings; annual Mapleton Days; formation of a Rifle Club, Brass Band, Boys Club, Dramatic Club; Sports and Pastimes Clubs; Q.C.W.A. and Ladies Club; school concerts, socials and fancy dress, concerts ; picture theatre; first aid classes, Red Cross and Comforts Funds Organisations and a Patriotic Committee; Euchre Card Games; Girl Guides and Youth Groups; Roller Skating; indoor bowls; Football and Cricket Clubs. Annual 'Back to Mapleton Days' were also held here. Plus much, much more.

In early years, the grounds were well utilised by the local Bullockies leasing the grounds and active soccer, cricket, football teams. 1928 and 1956 – the two tennis courts were established – Tennis was also very popular – they have been fully refurbished in recent years and are available for hire .

In 1940, The Hall and Grounds were commandeered by The Army for its base for several years.

In the late 1960's, the closed Dulong School was purchased, demolished and the timber etc used to add 'The Supper Room' extension to the hall.

A donated Cottage was relocated to the grounds and has been home to The Mapleton Historical Group, A Theatre Group and The Local R.S.L Branch.

**Memorial Trees** have been planted around the grounds.

1918 - 4 Pines were planted honouring Mapleton's 4 fallen soldiers

1979 - 41 Ornamental Memorial Trees were planted honouring Mapleton's early pioneers and Settlers, including a Lone Pine Tree for The RSSAILA Branch

1985 - 22 trees were planted acknowledging Past and Long Time Residents and Maroochy Shire Councillors.

1986 - 15 Trees planted, continuing from 1985.

1987 - 1 Tree planted acknowledging Mr. Rob Williams decades of service to Mapleton and district.

1995 - A Memorial Tree was planted for 'Australia Remembers 1945' – 1995 by Mr. Brian De Vere, Mrs. Joan Ensbey and Mr. Roy Williams in Memory of Mapleton and District who served.

A project for Mapleton's Centenary Celebrations in 1988 was the framed 'Historical Photographic' collection permanently mounted on the hall walls.

The entire site is zoned 'Sport and Recreation' and of historical significance under the present S.C.R.C.Town Plan.

In more recent years, it's become the venue for various yoga groups, meditations, Bootybarre, dance, fusion, ballet for children, musicians, singing circles, the monthly markets, weddings, memorials, celebrations, music festivals, Lions movie nights etc.

The Hall and Grounds are available for hire.

Thank you, Lindsey Wareham

## RECENT DEVELOPMENT APPLICATIONS IN DIVISIONS 5 AND 10

This is an initiative of Pop Up Community News aimed at providing information and heightened awareness as to developments in our region.
